

About Us

Our Veterans face challenges when transitioning from military service to civilian life. The shift can be overwhelming, leaving many of us searching for purpose, direction, and a sense of belonging in unfamiliar terrain. Forged Vanguard was created to assist our veterans with resources that ease them into transitional periods

Created by veterans for veterans. We help to fill that void of endless questions. However, we answer the most important question for any veteran, "What do I do next?"

THRIVE

FORGED VANGUARD

Vision _____

At Forged Vanguard, we envision a future where every veteran and at-risk youth is equipped with the tools, support, and resilience needed to overcome life’s challenges and thrive. Through Project Forged Vanguard, we strive to empower veterans to successfully transition to civilian life, finding stability, purpose, and fulfillment. Through Operation Forged Vanguard, we aim to inspire at-risk youth to rise above adversity, make positive choices, and forge paths toward brighter futures..

Mission _____

Our mission is to empower veterans and at-risk youth by providing comprehensive support, guidance, and resources to help them overcome challenges and build fulfilling lives.

At Forged Vanguard, we are dedicated to transforming obstacles into opportunities, instilling resilience, and creating pathways to lasting success for those we serve.

What We Offer _____

Mission-Driven

Through Project Forged Vanguard, we assist veterans in their transition to civilian life by offering housing support, career readiness, education opportunities, financial literacy, and mental health resources.

Through Operation Forged Vanguard, we guide at-risk youth toward positive life choices, fostering their growth through education, fitness, conflict resolution, and career exploration.

Community-Centered

Forged Vanguard, we are deeply rooted in the belief that strong communities create stronger individuals. Our work is driven by a commitment to serve as a cornerstone of support, connection, and empowerment within the communities we touch.

Transparency and Accountability

Whether it's guiding veterans through their transitions or mentoring at-risk youth toward brighter futures, we focus on building relationships, fostering collaboration, and creating lasting positive change. By working together with local partners, organizations, and individuals, we ensure our programs reflect the unique needs of our community and amplify its strength.

Forged Vanguard isn't just about helping individuals—it's about uplifting the entire community, one success story at a time.
